**MY DEAR CONFRERES,**

### **ROSARY – A GOSPEL PRAYER**

We are entering into the month of October, the month of the holy rosary. The rosary which is the string of beads and prayers was called by many popes as the “compendium of the entire Gospel”. For centuries, it has been one of the most prevalent forms of popular piety in the Catholic Church. By meditating on its mysteries and reciting the chain of prayers, countless Catholics have drawn closer to Jesus and His mother Mary.

Our Lady has revealed to several people that each time they say a Hail Mary, they are giving her a beautiful rose, and that each complete rosary makes her a crown of roses. The rose is the queen of flowers, and so the rosary is the crown of all devotions. It is considered a perfect prayer because it reveals awesome story of our salvation.

Pope St. John Paul II in October 2002 took the initiative of proclaiming October 2002-2003 as the Year of the Rosary and published the Apostolic letter *Rosarium Virginis Mariae* on October 16, 2002. In it, he reminded us that the rosary, “is a prayer loved by countless saints and encouraged by the Magisterium”. For him, it “is nothing other than to contemplate with Mary the face of Christ”. It is a privileged way of contemplating the face of Christ

through prayer and worship, by which we are able to bring Christ into our lives and to the world, in order that He may transform us and the world. Through the rosary, our Blessed Mother herself assists us to look upon the face of Christ as she did from the moment of His birth, throughout his public ministry, at His passion and death, and in His resurrection and ascension to the right hand of the Father.

The rosary is basically a gospel prayer, and to pray it properly requires that each decade be a reflection on some aspect of the joyful, luminous, sorrowful, or glorious mysteries of our redemption. As Blessed Pope Paul VI wrote in *Marialis cultus*, “Without this (contemplation) the rosary is a body without a soul, and its recitation is in danger of becoming a mechanical repetition of formulas”. In praying it, we can well take Our Lady as a model, for as the Scriptures tell us, “Mary kept all these words, pondering them in her heart”.

### **Origin of the Devotion to the Rosary**

The rosary probably began as a practice by the laity to imitate the monastic Divine Office (Breviary or Liturgy of the Hours), during the course of which the monks daily prayed the 150 psalms. The laity, many of whom could not read, substituted 50 or even 150 Hail Marys for the psalms. This prayer seems to date from as early as the second century, as ancient graffiti at Christian sites suggest. Sometimes a cord with knots on it was used to keep an accurate count of the Hail Marys.

The first clear historical reference to the rosary, however, is from the life of St. Dominic (1170-1221), the founder of the Order of Preachers or Dominicans. He preached a form of the rosary in France at the time that the Albigensian heresy was devastating the Christian faith. Tradition has it that the Blessed Mother herself asked for the practice as an antidote for heresy and sin. One of St. Dominic’s future disciples, Blessed Alain de Roche, began to establish rosary confraternities to

promote the praying of the rosary. The form of the rosary we have today is believed to date from his time. Over the centuries, the saints and popes have highly recommended the rosary, the greatest prayer in the Church after the holy mass and the Liturgy of the Hours.

### **Why should we pray the rosary?**

Certainly, we pray the rosary to grow in holiness and in prayer life. As Catholics, we know that the fervent recitation of the rosary is a powerful means of obtaining abundant graces from God. On 6 October 1970, Our Lady of the Roses in her message during the apparition seemed to have said the following: "Realize the power in your hand with the rosary, for in your hands you hold the power of God. If you do not recognize the rosary, can you expect to be recognized by my Son? How much can you expect? Why do you hide my rosary? It was with a Mother's loving heart that I chose to give you these pearls of Heaven that you reject".

### **Apparitions of Our Lady and the Rosary**

In every apparition, the heavenly Mother has invited us to say the rosary as a powerful weapon against evil, to bring us to true peace and for the good of humanity. In the apparition at Lourdes in 1858, the Virgin had a long rosary in her arm and in 1917 at Fatima, she invited and urged to pray the rosary every day.

#### **Apparition at Lourdes**

Our Lady appeared at Lourdes, France in 1858 for eighteen times. Right off, the first apparition on 11 February 1858 began with Our Lady praying the Holy Rosary with St. Bernadette Soubirous: "Without thinking of what I was doing I took my rosary in my hands and went on my knees. The Lady made with her head a sign of approval and herself took into her hands a rosary which hung on her right arm. When I attempted to begin the rosary and tried to lift my hand to my forehead, my arm remained paralyzed, and it was only after the Lady had signed herself that I could do the same. The Lady left me to pray all alone; She passed the beads of her rosary between her fingers but she said nothing; only at the end of each decade did she say the 'Glory be' with me. When the recitation of the rosary was finished, the Lady returned to the interior of the rock and the golden coloured cloud disappeared with her. As soon as the Lady had disappeared Jeanne Abadie and my sister returned to the Grotto and found me on my knees".

Again, at the second apparition, she prayed the rosary with Mary after kneeling down with her friends: "Nicolaus then asked Bernadette what she had seen and she related what had occurred at the Grotto; again she had prayed the rosary accompanied by the Lady, who moved Her lips only at each 'Glory be', and who had again disappeared at the conclusion of the prayers".

At all the eighteen apparitions, St. Bernadette would kneel and begin to pray the holy rosary. Then Our Lady would appear and pray the rosary with her and then she would go into ecstasy: "With no sign of awkwardness or self-consciousness, the child took the rosary from her pocket and crossed herself in her usual profound manner".

#### **Apparition at Fatima**

During the apparitions of Our Lady at Fatima between 13 May and 13 October 1917, besides a call to penance, it was a call to pray the rosary. So central is the rosary to the message of Fatima that Our Lady chose to identify herself as "The Lady of the Rosary". In each of the six apparitions she asked for the daily rosary, and especially as an instrument of world peace. As she revealed in the third apparition: "You must recite the rosary every day in honour of Our Lady of the Rosary to obtain peace for the world and the end of the war for only she can obtain this".

When asked about the importance of the rosary, Sr. Lucia of Fatima responded: “My impression is that the rosary is of greatest value not only according to the words of Our Lady of Fatima, but from the effects of the rosary one sees throughout history. My impression is that Our Lady wanted to give ordinary people, who might not know how to pray, this simple method of getting closer to God”. She told us: “There is no problem, I tell you, no matter how difficult it is, that we cannot solve by the prayer of the Holy Rosary. With the rosary we will save ourselves. We will sanctify ourselves. We will console Our Lord and obtain the salvation of many souls”.

The Blessed Mother terminated the final apparition by showing the children three separate tableaux symbolizing the entire message of the rosary. The first was a vision of the Holy Family – representing the joyful mysteries; the second a vision of Our Lady of Sorrows – representing the sorrowful mysteries; and the third a vision of Our Lady of Mt. Carmel – representing the glorious mysteries.

### **Fifteen promises of Our Lady to those who recite the rosary daily**

Our Lady revealed to St. Dominic and Blessed Alan de la Roche the benefits for those who devoutly pray the rosary daily. Although they form part of the private revelation, these promises help us to grasp the inestimable value of praying the rosary daily.

1. Whoever shall faithfully serve me by the recitation of the rosary, shall receive signal graces.
2. I promise my special protection and the greatest graces to all those who shall recite the rosary.
3. The rosary shall be a powerful armor against hell; it will destroy vice, decrease sin, and defeat heresies.
4. It will cause virtue and good works to flourish; it will obtain for souls the abundant mercy of God; it will withdraw the heart of men from the love of the world and its vanities, and will lift them to the desire of eternal things. Oh, that souls would sanctify themselves by this means!
5. The soul which recommends itself to me by the recitation of the rosary shall not perish.
6. Whoever shall recite the rosary devoutly, applying himself to the consideration of its sacred mysteries, shall never be conquered by misfortune. God will not chastise him in His justice, he shall not perish by an unprepared death; if he be just he shall remain in the grace of God, and become worthy of eternal life.
7. Whoever shall have a true devotion for the rosary shall not die without the sacraments of the Church.
8. Those who are faithful to recite the rosary shall have, during their life and at their death, the light of God and the plenitude of His graces; at the moment of death they shall participate in the merits of the saints in paradise.
9. I shall deliver from purgatory those who have been devoted to the rosary.
10. The faithful children of the rosary shall merit a high degree of glory in heaven.
11. You shall obtain all you ask of me by the recitation of the rosary.
12. All those who propagate the holy rosary shall be aided by me in their necessities.
13. I have obtained from my Divine Son that all the advocates of the rosary shall have for intercessors the entire celestial court during their life and at the hour of death.
14. All who recite the rosary are my sons and daughters, and brothers and sisters of my only son Jesus Christ.
15. Devotion of my rosary is a great sign of predestination.
